The Financial Secretary
to the Government of Mysore,
Bangalore.

Sir,

Purchase of Mysore Government 5 Year Savings Certificates from the District Treasury, Bangalore.

With reference to your memo dated 16-1-50, forwarding the petition of Sri.N.Anantha Rao of Raichur, together with a cheque for Rs.5212-8-0 and the application for purchase of the Government Savings Certificate, I have the honour to state that definite instructions have been laid down for the guidance of Treasuries in Para 8 of Annexure to the S.C.Rules (Page 115). Accordingly, payment may be made by parties (desiring investments in Savings Certificates) by means of crossed or open cheques at their option. The Treasury Officer should have accepted the cheque and issued the certificates to the party after the realisation of the cheque (issuing in the meantime, a temporary receipt to the party). It is a blunder on the part of the Treasury Officer to have refused the cheque on the ground that it is from a private individual. I have however asked the Treasury Officer, Bangalore District Treasury, to intimate the circumstances in which the cheque was not accepted by him. I consider that this is only one more case in which a Treasury Officer is ignorant of the rules and does not care to equip himself with a

knowledge of the rules bearing on the discharge of his duties.

2) Circular instructions to the other Treasuries are also under issue to avoid such inconveniences to the investing public by such refusals on the part of ignorant Treasury Officers.

3) The entire papers together with the cheque received with your memo adverted to above are herewith returned, the receipt of which may be kindly acknowledged.

Yours faithfully,

COMPTROLLER.

The applicant to clear from that cheque may be drawn in favour of Why has it been returned & under what authority - may be explained. Meantime if there is no prohibition the cheque may be honoured & the reference be withdrawn.

Sir,

The enclosures herein sent by registered post to the District Treasury, Bangalore, were returned to me with a memo " all enclosures with the intimation that cheques from private individuals are not acceptable in the Treasury."

Being a Mysorean, though I am in Hyderabad Dominion, I have been investing all my earnings in the Mysore Government Certificates and till now I have purchased all the certificates from the State Huzur Treasury by issuing cheques on the Bank of Mysore. I issued two cheques to the District Treasury Bangalore also on 16-6-49 on the Central Bank of India bearing Nos.232356 and 232357 and secured the certificates. But the present application is rejected.

If you look into the Savings Certificates form you find that clear provision has been made for the payment of the amount by cash or cheque which I have clearly marked.

1. If the Government is sincere in encouraging then people to invest their savings in the Government, I feel that the facilities afforded are hardly worth encouraging.

2. Can you expect, Indian purchasers or even the local purchasers to carry all the cash with them at great risk, and credit it to the Treasury. The risk of taking the cheques is nothing as the certificates are issued only after encashment.

3. If the form given to me is the proper one I am obliged to feel that the officer is hardly discharging his duties properly. Or else if there be a later amendment, the Treasury has done a mistake in issuing the form without making the amendments, thereby putting the investor into inconvenience.

Sec-D 13/1/50 comptroller for a report early.

Sir, it is not that I have no other place for investment of my money, that I am writing this letter. It is to bring to your kind notice how things are going on in the Government. You will kindly make enquiries abd I shall,be pleased to hear from you the result of your investigation.

If you find evrything is in order, kindly forward the enclosed documents to the concerned authority for the issue of the necessary certificates. Or else kindly return the enclosures.

Bangalore.

Sir,

Subject:- Purchase of Mysore Five Year Savings Certificates from the District Treasury, Bangalore.

In continuation of this office letter of even number dated 26th October 1950 on the above subject, I write to state that the Deputy Commissioner, Bangalore District, has obtained and forwarded with his letter No.A1-4229/49-50 dated 7th November 1950 the explanation of the District Treasury Officer (Sri D. Muniswami) for having refused - contrary to rules in the first instance, to receive the cheque for Rs.5,212-8-0 presented by Sri N. Anantha Rao of Raichur for issuing Mysore Government Five Year Savings Certificates.

The explanation is enclosed. It may be seen therefrom that the cheque was returned by the District Treasury Officer, Sri D. Muniswami, without even reading the conditions on the form of the application which clearly admits of acceptance of cheque. The District Treasury Officer should have used his discretion and satisfied himself that the objection - raised was valid. The explanation offered by him that the Accountant should not have passed the objection without - proper scrutiny is not acceptable. Sri Muniswami does not seem to have realised his responsibility in the matter.

The Head Accountant and the District Treasury Officer may be warned and the matter treated as closed.

A copy of the Deputy Commissioner's letter under reference together with the explanation of the District Treasury Officer Sri D. Muniswamy and with a printed form (S.C. Form 2) is enclosed.

Yours faithfully,

28/12

REVENUE COMMISSIONER.

Copy of letter No.A1-4229/49-50 dated 7th November 1950 from the Deputy Commissioner, Bangalore District, Bangalore, to the Revenue Commissioner in Mysore, Bangalore, regarding purchase of Mysore Government Five Year Savings Certificates from the District Treasury, Bangalore.

Adverting to your letter No.A1.P.R.837/49-50 dated 29-10-50 calling for the explanation of the District Treasury Officer in the matter of refusing the application of Sri Ananthe Rao of Raichur for the purchase of Mysore Government Savings Certificates, I have the honour to state that I have made enquiries in the matter. I notice that the objection put by the Treasury that the payment of cheques of private parties are not acceptable in Government transactions is not correct. This was due to the scanty knowledge that the Accountant had at the time when the memo was issued inadvertently by the Treasury Officer in the rush of transactions for the day. However, the Treasury Officer has taken action immediately to issue a Savings Certificate to the party and the same has been sent to him. I regret the mistake committed by the Treasury. I have instructed the Treasury Officer to exercise proper scrutiny before passing objections. The explanation of the Treasury Officer is also enclosed.

No. S.B.P.R. 21/50-51

Bangalore District Treasury,
Bangalore Dated 4-11-50.

Dear Sir,

With reference to Revenue Commissioner's letter No.D.O. A-1-P.R.837/49-50 dated 27th April 1950 ending with Revenue Commissioner's Memo even No. dated 24-10-50 forwarding copy of letter addressed to the Chief Secretary to the Government of Mysore, Bangalore dated 24th October 1950 calling for my explanation in the matter of non acceptance of a private cheque tendered by Sri. Anantha Rao of Raichur for the purchase of Mysore Government Savings certificates, I write to state that the cheque issued by the party was sent to the Bank of Mysore Ltd., Bangalore on 29-4-50 got realised on 22-5-50 and adjusted to the Mysore Government's Account and the savings certificates sent to Sri. Anantha Rao by registered post on 23-5-50.

This office should not have raised the objection -- without scrutinising the nature of the transaction for which the cheque was tendered. As the Accountant, who has raised the objection not covered by rules, has been transferred to Tumkur, you have been pleased to addres the Deputy Commissioner Tumkur in this office letter dated 4th May 1950 to obtain and forward the explanation of the Accountant which is followed by -- subsequent reminders. The explanation has not yet been - received and the Deputy Commissioner Tumkur is reminded again in the matter. The Head Accountant of the Treasury should not have passed it without noticing the mistake. The explanation of the Accountant is awaited. I have strictly warned the staff not to give room for such mistakes and see that they are avoided in future.

The objection was passed in the rush of work on the 30th December 1949, when the chalans, vouchers and transfer transactions were very heavy. In spite of my best efforts the mistake has crept in amidst the abnormally heavy volume of work in the Treasury which engages me till late hours in the night. I very much regretted the error.

In this connection I may be permitted to state that I have been constantly stressing the need for posting -- experienced and qualified officials to cope with the arduous work of this Treasury to avoid such irregularities. This is a difficulty under which the Treasury is labouring.

Yours sincerely,

D. Munisw amy 4/11/50
